### VIII National Level Conference

## "RE-IMAGINING INDIA: GAME CHANGERS FOR BUSINESS, MANAGEMENT AND SOCIETY"

17<sup>th</sup> & 18<sup>th</sup> February 2017

Dear Sir / Madam,

Greetings from Vishwakarma Institute of Management (VIM), Pune.

VIM invites Academicians, Research Scholars, Technical Experts, Practicing Professionals, Policy Makers, Entrepreneurs and Students to the VIII National Conference. The VIII National Conference aims to build upon the momentum created by the success of earlier VII conferences which fostered a gathering of renowned researchers, academicians as well as corporate leaders.

As always Indian Economy and the nation as a whole once again holds a lot of promise. This is accompanied by the convergence of multiple socio-economic, geo-political and technological forces and trends. Some of these helps to unlock the potential of the nation whereas a few others are posing newer challenges. The evolving regulatory framework and the dynamism of the Government have opened new avenues. Law and policy makers, industrialists, businessmen and entrepreneurs are having an opportunity to shape the destiny of the nation and its citizens for the better.

Game changers in every aspect of business, management and society would help us to ride this wave of opportunity and optimism & thereby help create a resurgent India. It is this thought that the VIII National Conference of VIM attempts to take ahead.

Original contributions in the form of Research Papers / Case Studies / Position Papers / Review Articles / Commentaries are invited on the conference theme & sub themes (refer the attachment)
