Objective of the Workshop

To guide and train the Program officers of NSS units at various Engineering colleges in the state of Maharashtra.

Contents of the Workshop

* **Cillage (City Village):** 'Cillage' is a knowledge centre within a rural domain with modern research activities and living facilities to attract capable researchers to apply relevant technologies to benefit rural population.

* **SAGY (Sansad Aadarsh Graam Yojanaa):**
A rural development program launched by honourable Prime Minister of India Narendra Modi, that mainly focuses on the development of villages to motivate and mobilize the village community.

* **Water and Environment:** Efficient storage, utilization and conservation aspects related to water; conservation and preservation of the Environment for sustainable development.

* **Agriculture:** Making this sector sustainable and affordable with efficient and relevant technologies that can facilitate higher livelihood with a much broader outlook much the same way as Krushi Vidnyan Kendras (KVK) do in the context of agriculture.

* **Skill Development:** Training and development of simple relevant skills for rural population for rural/ village development and employment for rural population.
