### ABOUT UNIVERSITY:

Telangana University is established through Act Number 28 of 2006, Government of Andhra Pradesh to cater to the academic pursuits of backward and rural student community. The University is recognized with 2(f) and 12(B), UGC Act, 1956 and Accredited with 'B' Grade by NAAC. The University became the member of Association of Indian Universities.

The University, at present is offering twenty six (26) courses under 18 Departments in the discipline of Arts, Science, and Social Sciences Commerce & Business Management. Around 3000 students are pursuing their studies in three campuses Main Campus-Dichpally, South Campus-Bhiknoor & College of Education, Sarangapur.

### ABOUT IQAC:

Internal Quality Assurance Cell is established in Telangana University during September, 2011 with an objective of designing and implementation of annual plan for Institution - level activities for quality enhancement in education. To achieve such an objective the cell performs the functions of

- Arrange for feedback responses from students for quality - related institutional processes.
- Development and Application of quality bench marks / parameters for the various Academic and Administrative activities of the Institution.
- Retrieval of information on various quality parameters of Higher Education and best practices followed by other institutions.
- Organization of workshop and seminars on quality - related themes and promotion of quality circles and institutions - wide dissemination of the proceeding of such activities.
- Development and application of innovative practices in various programmes / activities leading to quality enhancement.
- Participation in the creation of learner-centric environment conducive for quality education.
- Work for the development of internationalization and institutionalization of quality enhancement policies and practices.
- Act as a nodal unit of the Institution for augmenting quality - related activities.
- Prepare focused annual quality assurance report (AQARs).

### ABOUT SEMINAR:

Education is an issue that touches everyone, personally, professionally and as citizens of our respective nations and the world. As we consider the challenges facing in our country and all over the world, education, more so than almost anything else, is at once both at the heart of every problem and a part of every solution.

In the present context of globalisation of economic, political and cultural relations and the increased pace of change in the technology, education has become a strategic vector for sustainable and equitable development. In fact, the idea is generally accepted today that education has become the greatest comparative advantage of colleges and universities when challenged by international competitiveness.

In order to redefine quality education, universities need to blend high value deliveries with modern learning tools to ensure that each institution has a safe, healthy, energizing, intellectually challenging and joyful learning environment. The pedagogical fraternity needs to be committed to engage students in active, collaborative and technology-based learning methodologies to develop formative and summative assessments of student progress and learning.

Internal Quality Assurance Cell (IQAC) of Telangana University deem it as a privilege in inviting you to participate in a Two Day National Seminar on "Quality Education: Emerging Trends and Challenges for 21<sup>st</sup> Century" during 18<sup>th</sup> & 19<sup>th</sup> August, 2016.

### OBJECTIVES OF THE SEMINAR:

The main purpose of organizing the Seminar is to invite delegates and involve participants from all over the country in sharing their views and discuss on the following parameters;

Define and develop benchmarks for quality higher education. Identify the quality based challenges in higher education Suggest measures and procedures to overcome the identified challenges.

Share best practices for enhancement of quality education
