**AICTE All India Council for Technical Education
along with
CMAI Association of India**

**Conducting a study on
"Empowering Skill India & Entrepreneurship through data compilation on Skill
Development/ Innovation & Entrepreneurship"
In
Universities, Education Institutes, Affiliated Colleges**

Dear Sir,

CMAI Association of India has been approved AICTE i.e All India Council Technical Education to **Compile data on Skill Development/ Innovation and Entrepreneurship Initiative** taken up by Colleges/ Institutions/ Private Universities etc.

Approval letter by MOS, Ministry of HRD (Human Resource Development), Government of India is given at <http://cmai.asia/pdf/skillHRD.pdf> and Approval letter by AICTE can be find at <http://cmai.asia/pdf/SkillAICTE.pdf>.

The Government has laid emphasis on Skill development/ Innovation / Start Ups/ Incubation Center and Entrepreneurship. Several Universities/ Education Institute have already taken good initiatives and steps in this regard. Government has announced several incentives in this behalf. This initiative is commendable as it will lead to better employment and job opportunities and also result in Self employment.

As an Association CMAI receives several proposals for venture funding, marketing assistance, Government funding.

We also receive request from Government to advise in the policy formulations. The innovations/ Skills initiative of one education institute can also work as a catalyst for other institutes. So as to have comprehensive information at one point & to extract all the benefits of the Government

and private initiatives.

CMAI is conducting a study for data compilation in this behalf. This data will be compiled together. This initiative will also be helpful in revising strategies for introduction of new courses, curriculum to train the youth in this direction. This will be launched at a education Summit for which Hon'ble HRD Minister will be invited. It is also proposed to recognize excellent initiative taken in this behalf by education Institutes and Universities by honoring them with a National Innovation/ Skill Development Accolade.

There are no charges for this data compilation. The data compiled would also serve as a image building for the institute and showcase their excellent initiatives done in this behalf to the students, Government & public at large.

We request your support for supply of following information in this behalf.

CMAI is actively engaged in CSR activities for supply of water dispenser, Bio Toilets etc. CMAI is also actively engaged in establishment of Center of Excellence for ICT pan India. We have also provision under CSR for innovation.

This data is also required by Ministry of HRD and by the Ministry of Entrepreneurship and Skill Development for making new policies.

We request you to kindly supply the following information.

"Name of College approved with AICTE -"

- Name of Chairman with email and Phone no -
- Name of Contact Person with email and Phone no -
- Initiatives taken in Skill Development -
- No. of Courses running in Under Skill and Entrepreneurship -
- Details of Skills provided -
- Employment Opportunity under Skill -
- Any Incentives given to Entrepreneurship by Education Institute / University -
- Labs made for Skill and Innovation -
- No. of Enrolled students up till now in Skill Development -
- R&D department in Skill in College -
- Running Skill Courses with any Sector Council -
- Any assistance obtained by State Government/Central Government/Any other funding agency -
- Preparedness of ICT Infrastructure for skill Development including facilities of internet, software, computer, hardware, ICT Trained faculty -
- Innovations and special achievement done in the field of ICT and Skills -
- Additional Information -

After compiling all the data a National Conference will be organized and excellence achieved in this field will be awarded with appropriate certificates.

The objective of this study will be to assess and find out the preparedness of Indian Education Institutes for undertaking Skill Development, their existing status, strategy for effective role of Educational Institutes for skill development.

In this conference we would share several incentives and facilities extended by State/Central Government. CMAI has prepared a compendium of incentives and policy procedures for Entrepreneurs.

Through this Summit our main focus is to explain Institutes/Colleges to introduce new Skill / Entrepreneurship courses in their curriculum and train youth who are the future of our Country.

About CMAI

CMAI is India's largest ICT association with 48,500 members and 54 MOU partners across the globe involved in promotion of IT in education sector, cyber security, vocational/skills development and industry/academia interactions etc.

CMAI is organizers of NTA ICT World Communication Summit & Awards, National Education Summit & Awards & National Legal Summit and Awards held in India for the past decade. These are the only awards in India which are being conducted with support of Ministry of Law & Justice, Govt. of India MNRE, MSME, AICTE, AIU, NIELIT and several Industry Associations. We have been organizing these events for Higher Education Sector.

Recently CMAI has conducted 10th National Higher Education Summit on Skill Development with support of AICTE i.e All India Council Technical Education on 24th May 2016 at Vigyan Bhawan. The Summit was graced by Hon'ble Prof. (Dr.) Ram Shankar Katheria, Minister of State for HRD, Hon'ble Prof. Anil D. Sahasrabudhe, Chairman, AICTE, Prof. (Dr.) RK Khandal, Former Vice Chancellor, Uttar Pradesh Technical University and several representatives from the industry. We have also attached approval of AICTE for the same.

CMAI is also conducting conferences on MSME Growth and Entrepreneurship Orientation programs pan India for upgradation of knowledge in MSME Sector with Support of NSIC (National Small Industries Corporation Ltd.).

CMAI is also the only Association in India which is also conducting Faculty/Teacher Development programs & Entrepreneurship Summit pan India with State/Technical Universities which is attended by State Minister's, Vice-Chancellor, Director along with Faculties in the State.

Government plans to spend on skills development and training and retraining of existing and new employees at estimated cost of more than a \$1Bn this year. This market is currently serviced by local and unorganized players. The solutions offered are manual and are at low level of maturity, presenting a significant for educational institutes to explore the same.

We would request you to kindly fill in the data by 31/08/2016 and request you to kindly back the form via email at aicte@cmai.asia

For any more queries please feel free to contact at helplines no- 011 26266411 - 412.

For any escalation of matter please contact Ms Pooja Sharma at +91 9654894854.

CMAI is willing to provide free training to students in website development and android development we are also happy to provide self jobs to youth for the same in above two ICT sectors. CMAI along with Telecom Sector Skill Council jointly is providing specified skilled trainings to students in Telecom ICT arena and is also opening up Center of Excellence in ICT in colleges for students to take full advantage of CMAI resources.

For details for Conference , Objective and focus of this Survey is given below.
