Guideline for the Swachh Bharat Summer Internship (SBSI)

From 10th June-31st July 2019

Following the Prime Minister's clarion call on 2nd October 2014 for each individual to devote time to Swachhata through the year, and following the enthusiastic response from the youth of India to the Swachh Bharat Summer Internship 2019, the Ministry of Jal Shakti, in association with the Ministry of Youth Affairs and Sports, and HQ NCC has launched the **Swachh Bharat Summer Internship 2019 – 50 Hours of Swachhata**. The initiative will give an opportunity to youth across the country from national level institutions like National Service Scheme (NSS), Nehru Yuva Kendra Sangathan (NYKS) or National Cadet Corps (NCC) to develop their skills and orientation for sanitation-related work and become a part of the Swachh Bharat Jan Andolan.

The programme aims to engage youth across the country, develop their skills and orientation for Solid Waste Management (SWM), and sustain the momentum of the Swachh Bharat Jan Andolan.

All interns are encouraged to share their internship journey on social media, using the hashtags - #SBSI and #SwachhSummer

Components of the Swachh Bharat Summer Internship

The 50-hour internship programme would require the intern/interns to visit one or more villages and conduct Swachhata activities of their choice to contribute to the cause of rural sanitation in India.

1. **Duration:** At least 50 hours in the period of 10th June to 31th July 2019.
2. **Who can apply:**
 - Youth enrolled in either of the youth organisations – National Service Scheme, Nehru Yuva Kendra Sangathan or National Cadet Corps, can apply for the internship.
3. **Internship Process:**
 - Youth can enrol in this internship through the respective national-level youth organisation.
 - Interns may participate individually or in teams. Team size may be decided depending on the nature and scope of their activity, and approved by the parent organisation.
 - Interns will be required to devote at least 50 hours to conducting Swachhata-related activities, specifically on Solid Waste Management in villages selected by them and approved by the parent organisation.
 - The parent organisation may be approached with any requests for help with organisation of necessary logistics for the activities.

Reporting: An Internship Report must be submitted by the intern/interns to their local clubs/units within 15 days of completion of fieldwork.

Guideline for the Swachh Bharat Summer Internship (SBSI)

From 10th June-31st July 2019

4. List of suggested activities:

As part of the internship, the activities that participants may conduct have been categorized into two clusters: Information, Education and Communication (IEC), and Solid Waste Management (SWM).

A. Information, Education and Communication (IEC) activities

IEC activities are oriented towards increasing the awareness of people about sanitation related issues and triggering a change in sanitation behaviours for solid waste management.

S. No.	Project
IEC-1	Organise awareness campaigns around better Solid & Liquid Waste Management practices. E.g. segregation of waste as biodegradable and non-biodegradable
IEC-2	Village and school-level promotion of the 3Rs (Reduce, Reuse, Recycle), composts pits, no-littering through Nukkad Nataks /street plays, folk song and dance performances
IEC-3	Organise Swachhata Melas/Exhibition on local waste management technologies
IEC-4	Make wall paintings in public places (Panchayat offices, etc.) on the theme of a clean village, promotion of compost pits, and proper management of plastic waste
IEC-5	Organise plastic – free village campaigns and declaring of plastic – free zones

B. Solid Waste Management (SWM) related activities

SWM activities target waste collection, segregation, disposal and a plastic waste free environment

S. No.	Project
SWM-1	Organise waste collection drives for households and common or shared spaces
SWM-2	Volunteer for segregation of solid waste into non-biodegradable waste
SWM-3	Support communities and panchayats to build compost pits, where organic matter decomposes to for manure. May undertake village surveys to illustrate quantum of solid waste generated in the village.
SWM-4	Organise cleaning of streets, drains and back alleys through awareness drives
SWM-5	Infrastructure creation: compost pits for households, drains for kitchen gardening, soak pits for waste management

D.O. No. 2/2/S(DWS)/19

04th June 2019

Dear Upma,

The Swachh Bharat Mission was launched by the Hon'ble Prime Minister in 2014 with the objective of achieving a clean and open defecation free India by 2nd October, 2019, the 150th birth anniversary of Mahatma Gandhi.

2. The Swachh Bharat Summer Internship (SBSI) was launched in 2018 to intensify the involvement of the youth with the Mission. This initiative was a major success, with thousands of students from across the country participating in the internship.

3. As we agreed during our meeting on 30th May 2019, we may jointly launch SBSI 2.0, specifically for the members of youth organizations like NYKS and NSS. The members of these organizations may contribute towards Plastic waste and Organic waste management in rural areas.

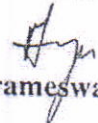

4. Each eligible intern will perform Swachhata related activities for the duration of atleast 50 hours during the period starting from 10th June 2019 - 31st July 2019 (**guidelines of proposed activities is enclosed**). A portal (<https://sbm.gov.in/SBSI2019>) has been developed for online registration and reporting for the interns.

5. I request you to issue necessary instructions to the organisations to enroll the maximum possible number of interns to contribute towards Swachh Bharat Mission, and make the SBSI 2.0 a success.

Enclosed: As above.

Regards,

Yours Sincerely
