Dear all,

With reference to the 2-day state level consultation meeting held on 29th - 30th Jan 2016 in Mumbai, one of
the action points is to create an online repository that maps research skills and expertise across the state.

In accordance with that, we are sharing with you the following Google form that aims to capture the 'Research
Expertise' in the state:
http://goo.gl/forms/eHsuC6dggb

This form should be filled and submitted by individual faculty members. You are requested to **share
this form with all faculty members of every department and affiliated colleges** so that every individual
faculty member can submit this information **by 7th March 2016**.

Mapping the research expertise and skills is a step in the direction of future research collaboration across
universities and colleges. Your support is essential in completing this task. Request you to kindly do the
needful.

In case of any queries, please get in touch with the undersigned.

Thanks and regards,
Neelam Pol
