About Aavishkar

Research fosters critical thinking and problem-solving among scholars and society, making it a cornerstone of knowledge advancement. Recognizing its importance, the National Education Policy emphasizes research in higher education. Students are encouraged to engage in research to develop critical thinking, analytical, and communication skills. In order to promote this, the then Hon'ble Governor of Maharashtra initiated Aavishkar: Maharashtra State Inter-University Research Convention in 2006-07. Since its inception, the convention has inspired thousands of researchers, connected like-minded individuals, explored new ideas, and provided solutions to various challenges. 18th Maharashtra State Inter-University Research Convention Aavishkar 2025-26 is going to be hosted by Vasantarao Naik Krushi University, Parbhani during January 12-15, 2026. This year, the event will witness participation from 26 Universities across Maharashtra, showcasing over 1,200 innovative projects and engaging more than 2,000 individuals from across the state.

Objectives

To identify the hidden innovative scientific talents and capabilities of the students and provide them opportunities to inculcate research aptitude.

Revised Guidelines

Aavishkar

Inter- Collegiate Research Convention

1. Introduction

Understanding the new realm of knowledge is facilitated by the research. The research engages societies and scholars to think critically and make them capable to find solutions to various problems. The role of the education system is very crucial in inculcating the research values. The National Education Policy has placed priority on research in higher education institutions. Academic research is an integral part of the higher education system in most knowledge societies. To keep the research at the priority, the students in higher education should be enthused to engage themselves in the research. Through detailed research, students develop critical thinking expertise as well as effective analytical, research and communication skills that are globally sought-after and incredibly beneficial.

With the view of promoting research among the students, the then Hon'ble Governor of Maharashtra and the Chancellor of the Universities in the State of Maharashtra initiated Aavishkar: Maharashtra State Inter-University Research Convention in the academic year 2006-07. Since then, the convention has engaged thousands of research minds to unveil many unexplored areas of knowledge. The convention has helped in connecting likeminded researchers, created a spirit of exploring new ideas and brought solutions to many problems.

2.Objectives

- To identify the hidden innovative scientific talents and capacities of the students and provide them opportunities to inculcate research aptitude.
