## **General rules and guidelines for award of Recognition for Research Patent and Research Paper**

1. Eligibility: Applicants should be a full-time approved teacher/student of Gondwana University/affiliated college.
2. Faculty members and students from university recognized institutions are eligible for this incentive.
3. Application process: Apply for Incentive through their department/institution/college, providing necessary documentation, such as the covering letter from head of the institute, copy of published certificate to Director, (Innovation, Incubation and Linkages), GUG.
4. Evaluation Criteria: Incentive is typically granted after online scrutiny of originality and authenticity of Scopus paper/patent by the University Committee.

### **Selection criteria for Research Papers submitted for award:**

- The candidate may be faculty member or Ph.D. student at Gondwana University or one of its affiliated colleges.
- The Research Paper ought to be published by Gondwana University or by its affiliated colleges. The Author should mention the name of Gondwana University in the form of affiliation.
- Only the first author or corresponding author may submit an award application.
- The candidate should submit an application for the award once a year.
- The Impact Factor and yearly citation score of journals will determine the amount of incentive.
- The Journal should be published on a regular basis (have an ISSN number that has been registered with the International ISSN Centre, have an doi no. etc)
- Research articles published in paid journal won't be accepted.
- Content should be relevant and readable for an international plagiarism statement.
- The Journal should have a publication ethics and publication statement.
- Only Scopus indexed journal or other such as SCI, SCIE indexed journal shall be accepted for award.
- The journal should be under the category of Q1, Q2, Q3 and Q4 listed journal.

### **Selection criteria for Patent submitted for award:**

- Patent must describe the invention and novelty of work very clearly so that a person skilled in the field cannot replicate it.
- The patent ought to be published by Gondwana University or by its affiliated colleges. The Author should mention the name of Gondwana University in the form of affiliation.
- Only the first author or corresponding author may submit an award application.
- The patent holder is required to present a valid patent certificate including the patent number.
- The US and UK patent are highly recommended when it comes to foreign patents.
- The granted patent should be more prior than published patent.
