Detailed indicators are available at the NAAC website.

In light of the above, we would like to know how universities are planning to revamp and upgrade their teaching framework so as to maximize NAAC grades and also make it to international rankings.

SPD RUSA Maharashtra is committed to support any and all attempts including support to IQAC cell of your university to facilitate the above. Maharashtra had re-constituted its State Level Quality Assurance Cell (SLQAC) as per GR dated 10/10/2016.

We would like to share with you that SPD RUSA has already set up Working Groups to suggest curriculum reform in the following five sectors:

1. Cyber Security
2. Banking, Financial Services & Insurance
3. Geoinformatics/ Geographical Information Systems (GIS)
4. Design Engineering and Data Analytics
5. Pharmacy Education

The recommendations of the groups would be shared with you as soon as these are finalized.

We have already written to you regarding your Research & Capability building goals.

It would be helpful if each department of the University can be asked to outline short term and long term goals and collate these.

You are requested to send in your Plan of Action by October 24<sup>th</sup> at the latest.

Look forward to hear from you.

Warm Regards,  
 Dr. Jaya Goyal  
 Senior Consultant
