State Universities (all), Maharashtra

Subject: Invitation to the orientation workshop on **"Promoting research and innovation in Technology"** organized by SPD RUSA, Maharashtra.

Dear Sir/Madam,

State Project Directorate, Rashtriya Uchchatar Shiksha Abhiyan (SPD-RUSA), Maharashtra is organizing an orientation workshop on **"Promoting research and innovation in Technology"** at **Savitribai Phule Pune University, Pune** on **November 7 2017 (Tuesday)**, for the faculty members of the State Universities and Govt. Engineering Colleges/Institutions in Maharashtra.

The workshop is being organized to motivate faculty members from the engineering and technology background towards research and innovation. The current thrust areas for research, idea development, research methodologies, writing a successful research proposal and improving industry-academic collaborations are some of the themes that will be discussed. The workshop is being addressed by speakers from both academics and industries who are currently excelling in their individual fields. This will allow the attendees to interact with the dignitaries and also with their peers from other Universities and Institutions/Colleges.

In the above context, we invite two (2) nominees from the University, from the Engineering/Technology Departments, having a strong research background, with good number of publications. The motivation is to orient the nominated faculties who can then further help orienting the others at the University. We kindly request you send the names along with the resume of the two nominated faculty members by **October 17 2017**. Please do make sure to nominate both the faculties from two different departments.

Thanking you,

With Regards,

Sharad Patil
State Project Director (I/C)
