The Principal/Nodal Officer (NIRF),

Dear Sir/Madam,

NIRF India rankings has got immense importance in positioning, branding and image building of the Higher educational Institutions and to attain funding from different agencies for further development of the institutions. Hence NIRF ranking is the pathway for the development and success of the institution through quality assurance in all spheres. It is imperative that all institutions should strive for better ranking.

Department of Technical Education, Government of Telangana in collaboration with Jawaharlal Nehru Technological University Hyderabad and Institute for Academic Excellence (KAB), Hyderabad is conducting a workshop on **Quality Enhancement Measures in Higher, Technical, Professional and Management Educational Institutions with special focus on NIRF India Rankings - 2020** to help the Institutions to understand their score position and to get clarifications on the assessment procedure of different parameters.

Senior Resource persons from MHRD, AICTE, UGC, NIRF, NAAC, and NBA are invited to present the detailed analysis on how the NIRF methodology works.

Participants are invited from Universities, Engineering, Medical, Law, Management, Architecture, Pharmacy and Degree Colleges category.

WORKSHOP DETAILS:

Topic Name : **Quality Enhancement Measures in Higher, Technical, Professional and Management Educational Institutions with special focus on NIRF India Rankings - 2020**

Date & Time : **10:00am - 6:00pm - 18th & 19th October 2019**

Venue : **U.G.C. Mini Auditorium, JNT University Hyderabad, Kukatpally, Hyderabad.**

Delegate Fees : Rs. 5,000/- per head

Last date for Registration: 10th October, 2019; Website for Registration: www.iae.education

We are sure that the deliberations of the workshop will help the institutions to understand the data requirement to attain better rank in NIRF Rankings - 2020.

We request you to avail the opportunity and take the benefit of the deliberations.

Yours Sincerely,

(K. VENKATESH)

Organizing Secretary

Workshop on
Quality Enhancement Measures in
**Higher, Technical, Professional and
Management Educational Institutions**
with Special focus on
NIRF INDIA RANKINGS - 2020

Date : 18th & 19th October, 2019
Time : 10:00AM to 6:00PM
**Venue : UGC Mini Auditorium,
JNT University, Kukatpally,
Hyderabad - 500085,
Telangana, India.**

Organized by:

Institute for Academic Excellence

Himayathnagar, Hyderabad.

Commissioner Collegiate Education:

The department is created to promote collegiate education, giving special attention to the areas located in backward and rural areas, to strengthen women education at Under Graduate and Post Graduate level, to create educational opportunities for weaker sections of the society and to introduce need based vocational courses replacing the conventional courses in a phased manner.

Technical Education Department:

The Department of Technical Education, Telangana State, is planning, supervising and motivating all the technical institutions under its purview to transform the students as knowledgeable, employable, and responsible citizens of democracy.

Technical Education can assure either self employment or wage employment. It contributes a major share in the overall education system which is imparted at various levels, viz, ITIs, Diplomas, Degree, Post graduate and Research in specialized Technical fields.

JNT University, Hyderabad.

Jawaharlal Nehru Technological University was established on 2nd October 1972, doing relentless service to the society at large. It is located at Kukatpally Hyderabad in an 89 acre campus. JNTUH has four constituent engineering colleges and four academic units/ schools in addition to other administrative functional units. Three of its engineering colleges are located in rural Telangana.

It has 291 affiliated colleges which include 199 Engineering colleges, 72 Pharmacy colleges and 20 stand-alone MBA/MCA colleges having more than 3.5 lakh students on its rolls. Thus JNTUH has become a major university providing quality education in the state.

Institute for Academic Excellence

The Institute for Academic Excellence (IAE) is an independent academic service provider dedicated to serving the educational institutions to achieve success through developing Best Practices & Bench marking standards in curriculum and other related aspects. The IAE suggests Higher Educational Institutions in developing multifaceted academic programs, strategies and methods to enhance active learning and self regulation among students. It helps the institutions in transforming them as strong Educational communities.

Workshop on
Quality Enhancement Measures in Higher, Technical,
Professional and Management Educational Institutions
with a special focus on
NIRF India Rankings - 2020

In our country around 900 Universities and nearly 43,000 Higher Educational Institutions are providing Higher Education to more than 30 Lakh students through Universities, Engineering Colleges, Medical Colleges, Pharmacy Colleges, Management Colleges, Law Colleges and Degree Colleges. But only 5,000 institutions applied for NIRF ranking in the entire country.

This meager number indicates that many Institutions have not realized the need and importance of ranking. Moreover they have not thoroughly understood on how the methodology works. This Workshop is an opportunity for academia to discuss the quality enhancement measures in Higher, Technical, Professional and Management Educational Institutions for achieving bench marking standards in academics and attain overall development of the Institutions.

Objectives:

- i) To bring awareness about the parameters with relative weights.
- ii) To bring awareness about innovative and best Teaching Learning practices for enhancing knowledge and employable skills of the students.
- iii) To bring awareness about the quality research publications and patents.
- iv) To bring awareness on inclusivity and diversity in ranking process.
- v) Discussing different outreach programs with national priority for better ranking.
- vi) Explaining the methods to enhance the perception levels of peers and other stakeholders of Higher Educational Institutions.

The deliberations of the workshop build the capacity of the institutions in data uploading process for NIRF Ranking and also helps them in identifying their score position and also for further improvement.

Patrons

Sri Jayesh Ranjan, IAS

Technical Sessions:

Senior Resource persons from MHRD, AICTE, UGC, NIRF, NAAC, and NBA are invited to present the detailed analysis on how the NIRF methodology works. Experts profiles are published on our website www.iae.education

Technical Session: I

- I) Quality enhancement measures in Higher, Technical, Professional and Management Educational Institutions with a special focus on NIRF ranking
- ii) Impact of NIRF ranking on Quality Assurance.

Technical Session :II

- I) Role of Teaching, Learning and Resources in Ranking
- II) Effective Virtual Learning Environment to enhance the quality of Teaching and Learning.
- III) Achieving excellence in Research and professional practice

Technical Session: III

- I) Graduate Outcome – Attainments
- ii) Outreach and Inclusivity - Strategies
- iii) Perception – interpretation in ranking

Technical Session : IV

- I) Case studies and Hands on Experience

Panel Discussion:

- i) Best Innovative practices for the overall development of the Higher Educational Institutions.
- ii) Best initiatives for the holistic personality development of the students.

Who can participate:

Management, Principals and Senior Faculty:

- | | |
|------------------------|--------------------------|
| i) Universities | ii) Engineering Colleges |
| iii) Medical Colleges | iv) Pharmacy Colleges |
| v) Management Colleges | vi) Law Colleges |
| vii) Degree Colleges | |

How to Register:

- Registration Fees of Rs 5,000/- (Rupees Five Thousand only) per delegate to participate in the 2 day workshop.
- Payable online to the following Bank:
Beneficiary Name: **Institute for Academic Excellence**
