About the College : A Legacy of Learning and Innovation

Sardar Patel Mahavidyalaya, Chandrapur, established in 1970 by Sarvodaya Shikshan Mandal, is renowned for its academic and research excellence. NAAC has Re-Accredited college with B⁺⁺ (CGPA 2.93) in its 4th cycle. The Institution of Higher Learning, Research and Specialized Studies was established in college in 2012 to promote advance education. Under the leadership of Principal Dr. P. M. Katkar, IHLR&SS has 208 research scholars across Science & Technology, Humanities, Commerce & Management, and Interdisciplinary Studies, with 62 supervisors. Since inception Gondwana University Gadchiroli has awarded PhDs to 116 scholars. The center has MoUs with 15 institutions and has contributed over 500 research papers in reputed journals and more than 100 books and book chapters have been published by supervisors. Additionally, 26 scholars have received fellowships from BARTI, Mahajyoti, SARTHI, and ICSSR. The National Workshop on "Stepping into Research Precinct: Methods, Publications and Patents" will provide valuable insights into research methodologies, publications, and patents, benefiting research scholars, academicians, and supervisors by enhancing their knowledge and research competencies.

Theme of the Workshop

Research is an evolving journey requiring systematic methods, critical thinking, and understanding of scientific communication and intellectual property. The National Workshop on "Stepping into Research Precinct: Methods, Publications, and Patents" aims to equip researchers with essential skills. It covers research methodologies, from formulating questions to data analysis, along with scientific writing, journal selection, and peer-review navigation. Additionally, it highlights the importance of patents, intellectual property rights, and innovation protection. Featuring experts from academia, industry, and patent law, the workshop offers a comprehensive learning experience, empowering researchers to contribute effectively to science while safeguarding their innovations.
