GONDWANA UNIVERSITY, GADCHIROLI

Innovation, Incubation and Linkages

Doctoral Research Fellowship Policy

April 2023

Board of Research
Innovation, Incubation & Linkages
Gondwana University, Gadchiroli

Preamble

Doctoral research scholarships are proposed to be awarded by the Gondwana University to candidates proceeding to a course of supervised doctoral study at this University. This scheme is aimed at attracting and supporting outstanding doctoral students, and provide those students with stable, base-level funding for their doctoral studies and research. These scholarships shall be available only to students seeking to obtain their first doctoral qualification.

Objectives

1. To promote research culture in the university or admitting full time research scholars by providing doctoral research fellowship to students seeking admission in Gondwana University for a full time Ph.D. in any faculty, offered by post graduate teaching departments of Gondwana University, Gadchiroli.
2. To nurture talents for research across all the faculties of the university.
3. To improve the research culture amongst Post Graduate students.

Eligibility Conditions

The research fellowship will be available to only those who;

1. Possesses his/her P.G. degree from any University in India & Abroad, however priority will be given to students within the jurisdiction of this university.
2. Is below the age of 30 Years as on 30th June of the respective year of application.
3. Has applied within 12 months from the date of admission to Ph.D. program at Gondwana University, Gadchiroli.

Salient Features

1. Each research fellowship shall be for a value of Rs. 8,000/- per month payable on monthly basis and such fellows will be given preference to conduct teaching in the University Departments on CHB basis
2. The research fellowship shall be awarded for the maximum period of 3 years
3. The period of fellowship may be extended to one more year as per the recommendations of the committee constituted by Hon'ble Vice-Chancellor.
4. The candidate will defend 6 monthly progress report/s, failing which, fellowship will be discontinued for the period of defense.
5. The total number of research fellowship's to be awarded annually shall be 12 (Twelve) only and should be distributed proportionately
6. If the applicants are more than the no of research fellowships available, the fellowship will be awarded as per following table, however NET / SET qualified candidates will be given

priority. The fellowships, in case of non-availability of NET / SET candidates shall be as per the following table

| Sr No | Measure of Assessment | Weightage (%) |
|-------|---|---------------|
| 1 | Performance in PET | 30 |
| 2 | Performance in Post-Graduate Qualification | 25 |
| 3 | Performance in Under-Graduate Qualification | 25 |
| 4 | Performance in H.S.S.C. Examinations | 20 |
| 5 | Total | 100 |

7. The University will publish call for application in the month of September every year and last date for the submission of application will be 30th September every year. The call along with format of application will be published on the University website.
8. The application so received would be scrutinized by the following Committee:
 - i) Pro Vice-Chancellor as Chairman
 - ii) 2 Members from the Board of Research
 - iii) Dean of the concerned Faculty
 - iv) An External Member (out of University) as Nominated by the Vice-Chancellor
 - v) Head of the concerned P.G. Teaching Department
 - vi) Director (Innovation, Incubation & Linkages) as Member Secretary

The said committee shall conduct personal interviews and recommend for the consideration and approval by the Vice-Chancellor.

9. The application and subsequent other correspondence shall be routed by the applicant through his/her Ph. D. supervisor forwarded by the Head of the research center.
10. This fellowship shall not be awarded if the student has availed or is availing any other financial assistance in the form of fellowship/scholarship for pursuing Ph. D. degree. A declaration to that effect will have to be made by the applicant at time of application.
11. The fellow shall try to publish articles in the journals, indexed in Scopus / SCI / WoS and may try to go for innovation in the form of patents, copyrights, etc.
