

GONDWANA UNIVERSITY, GADCHIROLI

Direction No.15 of 2025

"AWARD OF GRANTS FOR RESEARCH PROJECTS UNDER MINOR RESEARCH PROJECT SCHEME (MRPS) OF THE UNIVERSITY DIRECTION 2025".

Whereas, the Maharashtra Public Universities Act, 2016 (Maha. Act No. VI of 2017) (hereinafter the "Act") has come into force with effect from 1st March 2017 and the same has been made applicable to Gondwana University, Gadchiroli (hereinafter the "University"):

AND

Whereas, the Board of Research of the University, in its meeting held on 23rd April 2019 vide item no. 5 has resolved to launch minor research project scheme (MRPS) (Annexure-I) for all the teachers, and post graduates students of the university and its affiliated colleges.

AND

Whereas, it is necessary to lay down norms and procedure for award of a research project under the minor research project scheme (MRPS) of the University, by making an appropriate Statute under section 71 (6) of the Act but since making of statute is a timeconsuming process it is necessary to issue a Direction as an interim measure:

AND

Whereas , Direction No 13 of 2024, titled as "NORMS & PROCEDURE FOR THE AWARD OF GRANTS FOR RESEARCH PROJECTS UNDER MINOR RESEARCH PROJECT SCHEME (MRPS) OF THE UNIVERSITY TO ALL THE TEACHERS AND POST-GRADUATE STUDENTS OF THE UNIVERSITY AND ITS AFFILIATED COLLEGES DIRECTION,2024 has lapsed by virtue of provisions of the proviso to section 12(8) of the Act as the same could not be converted into the necessary Statute necessitating issuance of a new Direction, incorporating the provisions of the said lapsed Direction with suitable modifications.

Now, therefore, I Dr. Prashant Bokare, Vice-Chancellor of the University, in exercise of the powers conferred upon me by Section 12(8) of the Act, do hereby issue the following Direction:

1. This Direction shall be called, **“AWARD OF GRANTS FOR RESEARCH PROJECTS UNDER MINOR RESEARCH PROJECT SCHEME (MRPS) OF THE UNIVERSITY DIRECTION, 2025”**.
2. This Direction shall come into force with effect from the date of its issuance.
3. In this Direction, unless the context otherwise requires;
 - a) ‘College’ means a college affiliated to the university, situated in the university area or jurisdiction;
 - b) ‘University Department’ means a Department as defined in the Act (VI of 2017) and as prescribed in the Statutes of the University;
 - c) ‘Research Project’ means a research project submitted to the University for its sanction under the Minor Research Project Scheme (MRPS) of the University.

4. Eligibility to Apply

The Regular faculty member and Post Graduate student of the University or its affiliated college is entitled to apply for the Minor Research Project under the Minor Research Project scheme (MRPS) (Annexure –I) of the university. However, the applicant shall not be entitled for the sanction of the Minor Research Project if :-

- a) He/She has availed the benefit of similar scheme earlier or has received funding from any extra-mural agency.
- b) The Project work in question is an extension/ repetition of earlier work carried out by the Principal Investigator (PI) under any other scheme.
- c) If it is a translation from one language to another. Similarly it is a biographical study.

 - iv. **Chemicals and Consumables** -To meet expenditure on chemicals, glassware and other consumable items.
 - v. **Travel and Field Work**- The amount allocated under the head travel/field work is to be utilized for data collection and collection of other information such as documents and visit to libraries within the general scope and sphere of the ongoing project. This should not be used for attending conferences,

seminars, workshops and training courses etc. They may also avail special casual leave/duty leave for field work/collection of data as per University rules in-force.

- vi. **Re-Appropriation** - The Principal Investigator may re-appropriate maximum 20 per cent of the recurring grant allocated under each head with the permission of competent authority of the University with proper justifications.
- vii. Also note that financial assistance towards research personnel / assistants will not be part of this MRPS.

(d) Travel and Field Work -

Attach Certificate from the Head of the affiliated college or University regarding amount allocated under the head travel/field work is utilized for the implementation of the project including participation in conference, seminar and workshop across the Nation. The travel grant should not be used for attending any training / refresher courses / STTP. The travel/field work should be undertaken only for data collection and related information from institutions/libraries within the defined scope of the project. The mode of travel is as per the entitlement of the inmate teacher concerned in the respective affiliated college/University as per the rules of the University in-force.

(e) Provision of Duty Leave for MRPS –

The PI is entitled for Duty Leave for MRPS related all kinds of works as per the rules in-force. The Researchers are expected to perform MRPS work in vacation period as far as possible. The regular academic schedule should not be hampered. It should be availed only with the permission of sanctioning authority.

- 7. A researcher desiring to avail the benefit of the MRPS shall have to apply to the university Director of Innovation, Incubation and Linkages in the prescribed form (Annexure –II) along with the research proposal in the prescribed format (Annexure –III). In case of the researcher of the affiliated colleges the proposal shall be submitted through the Principal of the concerned college and in case of the of the researcher from the University Department, the proposal shall be submitted through the concerned HOD

8. Award of the Research Project

a) Every research proposal received by the Director of Innovation, Incubation and Linkages shall be subjected to two tier scrutiny. In the first stage it shall be placed before a sub-committee of three members comprising Dean of the concerned faculty (if the concerned Dean is absent any other Dean of the university shall be the member of sub-committee), a subject expert nominated by the Vice Chancellor and Director of Innovation, Incubation and Linkages. For this purpose the Director of Innovation, Incubation and Linkages shall provide to the sub-committee members an assessment proforma featuring number of research oriented parameters against which the evaluation is to be carried out. At the end of the assessment the sub-Committee shall rank all the received proposal in the given subject, relatively considering the broad motive of the submitted minor research project proposal.

The Dean of the faculty shall be the chairman of this sub- committee and the Director of Innovation, Incubation and Linkages shall be the member secretary.

b) Depending upon the number of proposals received and available outlay for funding these projects, invitations shall be extended to the applicant PI for presentation as per the following criterion:

- i) Approximately TOP RANKED 50 percent proposals or
- ii) As per the recommendations made by the sub-committee (for example, 4 recommended out of 6 received and 2 not recommended) and
- iii) If only one proposal is received in the given subject, then it should be called for presentation but subject to the condition of recommendations by the sub-committee for the second phase viz next level of scrutiny leading to the final award.

c) During the course of presentation, rigorous scrutineer shall be undertaken by the final award committee as to appropriateness in respect of amount of substance in the topic, relevance to the local region, adapted research methodology, proposed budget by the individual presenters, so and such that final award in each of the subject across all the faculties can be ensured and thus justified.

d) The final award committee shall consist of Deans of the faculties, members of the Board of Research and Academic Council, experienced, expert members from

outside the University region having outstanding research related credentials and Director of Innovation, Incubation and Linkages as it's convener.

e) On award of the Research project under the Minor Research Project Scheme the awardees shall submit the acceptance letter in the prescribed format (Annexure-IV) to the Director of Innovation, Incubation and Linkages of the University. The said letter of the acceptance shall be accompanied by a Certificate/Understanding as per Annexure-V of this Direction, issued by Principal of the College/ HOD of the University.

9. Procedure for Release of Grant

The first installment of the grant shall comprise of 60% of the total Recurring grant approved by the University for the total duration of the project. The grant will be released to the Principal of the College/ HOD of the University.

On receipt of Mid Term Progress Report in terms of cl(a) of para 11 of this Direction and statement of expenditure and utilization certificate (in the format given in Annexure VII, VIII and IX However the utilization certificate need not be signed by the statutory authority) of 1st installment of the recurring grant, the 30% of the total recurring grant will be released as second installment. Remaining 10% will be released on receipt of following completion of documents as final reimbursement.

Note: For facilitating transfer of the sanctioned recurring grant, PIs should furnish official bank account details of the college/institution operated by the Principal/ HOD of the University, preferably on the letter head duly signed by the Principal/HOD of the University and supported by legible photocopy of the front page of bank account passbook.

10. Fund Utilization

a) Any unutilized amount should be duly refunded to the University before submission of final report. Audited financial report along with Utilization Certificate (in the format prescribed under Annexure-IX) and Statement of Expenditure in the prescribe of formats (Annexure-VII & VIII) should be submitted within one month of the completion of duration of the project by the Principal/HOD of the University and PI, failing which, the University, being the funding agency, reserves the right to recover the total amount from the

concerned college/salary of the PI and that the liability of recovery shall rest with the Principal.

Failure to abide by the rules of the University shall make the PI and the College liable to refund the entire amount paid by the University in all such schemes and they may be debarred from participation in future University Initiatives. It would be the responsibility of the PI and the Principal/HOD of the University for total accountability of the project.

b)Financial Management of the Project

- (i) For University PG Departments, the standard operating procedure (SOP) of financial management will be followed to channelize the financial transactions of the research project as per the University rules in-force;
- (ii) For affiliated colleges, the amount will be released to the Bank account of the Principal to channelize the financial transactions of the research project strictly according to Accounting Code & rules of the University.

11.Compliances during progression of the research

a. Mid Term Progress Report

The Principal Investigator shall submit the mid term progress report of his/her research project in the prescribed format (Annexure-VI). The report shall be submitted to the Director of Innovation, Incubation and Linkages through the Principal/HOD of the University.

b. The Final Report -

Five copies of final report printed on A4 size pages, with 1.5" margin on left side and 1" margin on the right side, in the format prescribed under Annexure X shall to be submitted within one month from the completion of the project duration. The printed report shall be accompanied by a soft copy of the report. Final Project Presentation will consist of power point presentation summarizing the findings of the research project. Project is not transferable in any case. If a PI fails to complete the project, he/she has to refund the entire amount released.

It is mandatory to post the Executive summary of the report, Research documents, monograph, academic papers, patents, copyright/G.I. published under Minor Research Project on the website of the University/College.

- c. i. A consolidated item wise detailed statement of expenditure incurred during the complete project period in the prescribed proforma duly signed and sealed by the Principal/HOD of the University and the Principal Investigator.
- ii. A consolidated Audited Utilization Certificate for the amount actually utilized towards the project duly signed and sealed by Govt. Internal Auditor/Chartered Accountant, Principal/HOD as well as the Principal Investigator in the prescribed proforma.
- iii. The unutilized grant if any may be refunded immediately through demand draft drawn in favor of the Finance and Accounts Officer, Gondwana University, Gadchiroli.
- iv. The Principal Investigators/Institutions are expected to settle the accounts immediately on completion of the project. In case of the balance grant, if any, is not claimed within six months from the date of completion of the project, the same will lapse and no representation will be entertained in this behalf.

d. Final Project Presentation

There will be only one presentation during the entire tenure of the project. The said presentation will be scheduled after completion of the tenure of the project wherein PI has to present final outcomes in line with the specified objectives. Presentation will be through PPT and should describe conduct of the project along with final outcomes like conclusions, recommendations and future scope if any, published papers, patents, copyrights, geographical inventions, book/book chapters etc. The PI should acknowledge the project sanctioning authority in publication of research paper.

The only presentation will also include following aspects.

- (i) Name of the Researcher/s (Principal Investigator/s)
- (ii) Date of the commencement of the Research Project.
- (iii) Date of release of the first installment (Utilization certificate duly certified by independent C.A.)
- (iv) Field/experimental/theoretical work carried out.

e. Project Outcomes

The PI should acknowledge the project sanctioning authority in publication of research paper. Apart from these research publications, it is expected that proposed research should be patentable or alternatively a copyright/ geographical invention / book or book chapter can be published/emanated from the proposed research project.

12. In implementing the provision of this Directions, in its letter and spirit, or if any matter pertaining to MRPS scheme of the University is found to be not covered by the provisions of this Direction the same shall be referred to the Vice-Chancellor of the University. The decision of the Vice-Chancellor on any issue so referred to him shall be final and binding on all the concerned people.

Minor Research Project Scheme (MRPS)

Preamble

The Gondwana University, Gadchiroli in an attempt to promote research in various and emerging areas like Humanities, Social Sciences, Languages, Literature, Pure Sciences, Pharmacy, Management, Engineering & Technology and Professional Studies among others, has launched Minor Research Project Scheme (MRPS) from the session 2019-20 for all the Teachers and PG students of the University. The emphasis of the Gondwana University, Gadchiroli has been on supporting budding Researchers (Teachers & Students) in affiliated colleges and the University campus. It is herein expected that applicants shall submit their research proposals (Annexure-II) relevant to the university region so and such as to fulfill the mandate with which university was established with head-quarters at Gadchiroli.

1.0 Objectives (Introduction):

1.1 To promote research in higher education by supporting research programmes of University and Affiliate College teachers in various disciplines and to inculcate research attitude among the faculty members.

1.2 There are 'Research Centers' under the jurisdiction of the Gondwana University catering to the need of the Ph.D. programs. Although there are many funded Research Schemes at National Level, they may not be available to all. To Provide of funding through minor research project is to develop research culture within the affiliated colleges and provide a start-up grant to the newly joined faculty members.

1.3 To motivate budding PG students and researchers from affiliated colleges and University Departments to apply for Major Research Schemes from various funding agencies based on their experience gained in running the minor research project.

1.4 To encourage in designing proposals that are application oriented.

2.0 Target Group (Eligibility)

The Gondwana University, Gadchiroli provides support to permanent/regular teachers in this University and Affiliated Colleges who are serving as;

- a) Assistant Professor and Associate Professor Grade. This scheme does not support faculty members at Professor Grade.
- b) Assistant / Associate Professor who have availed similar scheme earlier OR who have received funding from any other extra mural agencies, will not be considered again for this scheme.
- c) Project work should not be extension/repetition of earlier work carried out by PI through some other scheme.
- d) Translation from one language to another and bio-graphical studies will not be considered under this scheme.
- e) The research project should not be part of M.Phil./Ph.D. work.
- f) Apart from permanent/regular teachers, PG students of affiliated colleges and University PGT Departments are also eligible to apply.

3.0 Research Proposal Synopsis:

3.1 Synopsis – It will consist of Two Sections as given below.

- The First Section –Statement of the Problem
- The Second Section –Review of the Literature

3.1.1 Structure for Statement of the Problem -

(a) **Introduction:** Describe and justify the problem of the proposed study and its importance in terms of knowledge enhancement, societal applications and gaps in our knowledge and how your proposed research would address them (*with citations of articles, books, speeches, etc. from authentic sources*). Short statistics can also be used if available.

(b) **Objectives of the Study** – To Identify and justify the proposed aims and objectives of the study.

3.1.2 National and International Status:

Clearly state our present knowledge in the proposed study both at National and International level and how the proposed study will be a new addition to existing knowledge. This section should be based on strong literature survey as reflected by the references.

4.0 Mid-Term Evaluation of the project -

PIs shall have to submit progress report after completion of six months of project duration along with the research publication if any and abstract etc.

4.1 The evaluation committee:

It shall comprise as follows -

- Dean / Professor of the subject (*if available*) – as Chairperson
- One Subject Expert (*External*)
- One Subject Expert (*Internal*) nominated by the Vice-Chancellor **OR**
- Alternatively internal committee to evaluate the progress of MRP as nominated by the Vice- Chancellor.

5.0 Impetus and Guide for further research:

- It is expected that the Researcher should submit Major Research Project proposal to various funding agencies on the basis of the research done through Minor Research Project.
- The University may publish the findings of the research completed under this scheme at appropriate platforms/places. A copy of such no-objection certificate should be submitted by the researcher at the time of final report submission.

6.0 General:

a) After finalization of the selection procedure of the Minor Research projects, the names of the selected PIs will be posted on the website or alternatively mails will be sent to the selected candidates. The PIs should check their names

and send their acceptance certificate and undertaking duly forwarded by the Principal of the Institution immediately to the concerned to enable the University to send the approval / sanction letters and release the funds.

b) Project is not transferable in any case.

c) In case if the PI is transferred from his/her original place of work to another Institution (Under Section 2(f) and 12 (B) of the UGC Act, 1956), No Objection Certificate should be furnished for the transfer of the project from both the Institutions stating that necessary facilities will be provided by the Institution in which the awardee is transferred for the smooth functioning of the project.

If a Principal Investigator fails to complete the project, he/she has to refund the entire amount released.
