

LL.B. (3 Years Course) CBCS Pattern Semester-III
UL32C05 / UL33C05 - Public International Law

P. Pages : 1

Time : Three Hours

GUG/S/24/10091

Max. Marks : 80

-
- Notes : 1. Attempt all questions.
2. Each question carries Equal marks.

1. How does the traditional definition of International Law differ from contemporary perspectives, especially in the context of non-state actors roles? Analyze the evolving nature of International norms and their implications for global governance.

OR

Dualism and Monism are two primary theories that explain the relationship between International Law and Municipal Law.

2. “Recognition” is a fundamental principle in International Law concerning the acceptance of an entity as a state or a government. Distinguish between “de jure” and “de facto” recognition.

OR

Analyze the principles of territorial, nationality, passive personality, and protective jurisdiction in International Law.

3. What is state succession, and how does it differ from the mere change of Government within a state?

OR

Define “international delinquency.” How is a state held responsible for such acts on the international stage?

4. How does an individual acquire nationality in a state, and why is it significant in the context of international relations?

OR

What is the difference between extradition and asylum? Provide a brief description of each.

5. What are the principal organs of the United Nations, and what is the primary function of each?

OR

Why was the International Labour Organisation (ILO) established, and what are its main goals?
