5. a) Read the following paragraph carefully and answer the questions given below. 8

The great advantages of early rising is that one can start one's working long before others. The early riser has done a large amount of hard work before other men have got out of bed. In a early morning the mind is fresh and no sounds or noises disturb our attention. The work done at that time is generally well done. Also one finds time to take some exercise in the fresh morning air. Exercise supplies him with a good deal of energy that enables him to work thoroughly He has not to hurry over any parts of his work. He gets to sleep long before midnight. At that time sleep is most a refreshing after a sound night rest, he rises next early morning in good health for the labour of new day.

Questions:

i) What advantages does an early riser have over other's?

ii) Why should one take exercise in the morning and begin one's work so early?

iii) What are the uses of going to sleep long before midnight?

iv) What does exercise supply the early riser with?

b) What is branding? Examine the role of layout/structure in advertising. 8

OR

What is advertising? List five advertisement types of advertising.
