

APPENDIX-I

(Revised)

COURSE AND EXAMINATION SCHEME WITH CHOICE BASED CREDIT SYSTEM (CBCS) B.A.LL.B INTEGRATED FIVE YEAR COURSE

COURSE AND EXAMINATION SCHEME WITH CHOICE BASED CREDIT SYSTEM (CBCS)

Note:- The following terminology and abbreviations are used for the course and the examination scheme of the BA.LL.B. Five Year Course under CBCS System

- USC:** Unique Subject Code
It consists of seven digits. The first digit indicates the programme (UG/PG), second digit faculty (L-Law), third digit indicates the programme under the faculty and in the present case 5 is suggested to indicate Five Year B.A. LL.B. Programme. The fourth digit indicates semester. The fifth one is for code of area of subject (F- Foundation, C-Core & E-Elective). The sixth digit indicates group or non group subject (0 for Non group) & seventh digit indicates serial No. of the subject.
- ESE:** External Semester Examination
- IA:** Internal Assessment
- P:** Proficiency Level
Proficiency Level is to be judged by a committee of three faculty members of the same institution after completion of 45 days from the date of the commencement of the semester. The candidate can be evaluated on any of the following areas of proficiency: 1. Subject Seminars 2. Case Review and Comments 3. Use of online legal resources and software proficiency 4. Conference Papers 5. Paper Presentations 6. Project / Field work, etc. The evaluation process will be decided by the concerned subject teachers.

Unique Subject Code:- ULC55E06

History-V

Course Objectives:-

In an age of inter-dependency and faster communication system when the entire world appears like a global village study of both European and World history will certainly enrich the knowledge of the world

-Study of modern world history will provide an edge to those preparing for various competitive examinations including M.P.S.C and U.P.S.C as history is a compulsory part of their syllabus

-With universal laws and study of international laws being part and parcel of B.A.LL.B syllabus a deeper understanding of the world and its history will help a lot in shaping their career and study of laws

Learning Outcomes:-

- On successful completion of this course,
- Will be able to understand the history of the world in general and other important countries in particular.
- Apart from this the current syllabus would immensely help students not only in enhancing their general knowledge but also providing a good platform for preparing various competitive examinations in future.

Course Contents:-

Unit-I: 1) Advent of Modern Age in Europe

- Renaissance
- Reformation Movement
- Geographical Discoveries
- Rise of Nation States
- Industrial Revolution

2) Certain Important Nationalistic Movements

- American War of Independence
- French Revolution of 1789
- Unification of Italy
- Unification of Germany

Unit-II :1) First World War (1914-19)

- Nature of First World War
- Causes of First World War
- Consequences of First World War- Paris Peace Conference and Treaty of Versailles

2) The League of Nations

- Establishment of the League of Nations
- The Covenants and Purposes of the League
- Achievements of the League
- Causes Leading to its Failure
