For a student, walking is preferable to all other exercises. The advantages of this mode of exercise are that it is simple, the apparatus is all at hand complete. You need not wait for any great machinery, It is in the open air, so that the lungs can at once receive the pure air of heaven, and the eyes gaze upon the hill or date upon trees and flowers, upon objects, animate and inanimate. The very objects of sight and sound cheer and enliven the mind and raise the spirit. Another advantage of walking is that you can have a friend to walk with and cheer the spirit, by pleasant conversation. Once try the method of walking with a friend regularly for a few weeks and you will be surprised at the result.
